Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

No directly comparable properties have been identified as having transacted within the past six months, given the subject property's features as a three-bedroom, one-bathroom townhouse. The available comparable sales are all single-storey units and therefore differ from the subject property in terms of dwelling type and configuration.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
