**2. Special condition 2 – Electronic conveyancing**

Settlement and lodgment will be conducted electronically in accordance with the *Electronic Conveyancing National Law* and special condition 2 applies, if the box is marked "EC".

2.1 This special condition has priority over any other provision to the extent of any inconsistency. This special condition applies if the contract of sale specifies, or the parties subsequently agree in writing, that settlement and lodgment of the instruments necessary to record the purchaser as registered proprietor of the land will be conducted electronically in accordance with the *Electronic Conveyancing National Law*.

2.2 A party must immediately give written notice if that party reasonably believes that settlement and lodgment can no longer be conducted electronically.

2.3 Each party must:

(a) be, or engage a representative who is, a subscriber for the purposes of the *Electronic Conveyancing National Law*,

(b) ensure that all other persons for whom that party is responsible and who are associated with this transaction are, or engage, a subscriber for the purposes of the *Electronic Conveyancing National Law*, and

(c) conduct the transaction in accordance with the *Electronic Conveyancing National Law*.

2.4 The vendor must open the Electronic Workspace ("workspace") as soon as reasonably practicable. The workspace is an electronic address for the service of notices and for written communications for the purposes of any electronic transactions legislation.

2.5 The vendor must nominate a time of the day for locking of the workspace at least 7 days before the due date for settlement.

2.6 Settlement occurs when the workspace records that:

(a) the exchange of funds or value between financial institutions in accordance with the instructions of the parties has occurred; or

(b) if there is no exchange of funds or value, the documents necessary to enable the purchaser to become registered proprietor of the land have been accepted for electronic lodgment.

2.7 The parties must do everything reasonably necessary to effect settlement:

(a) electronically on the next business day, or

(b) at the option of either party, otherwise than electronically as soon as possible –

if, after the locking of the workspace at the nominated settlement time, settlement in accordance with special condition 2.6 has not occurred by 4.00 pm, or 6.00 pm if the nominated time for settlement is after 4.00 pm.

2.8 Each party must do everything reasonably necessary to assist the other party to trace and identify the recipient of any mistaken payment and to recover the mistaken payment.

(a) deliver any keys, security devices and codes ("keys") to the estate agent named in the contract,

(b) direct the estate agent to give the keys to the purchaser or the purchaser's nominee on notification of settlement by the vendor, the vendor's subscriber or the Electronic Network Operator;

The specified period in the clearance certificate must include the actual date of settlement.

3.3. This special condition only applies if the purchaser is required to pay the Commissioner an amount in accordance with section 14-200(3) or section 14-235 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* ("the amount") because one or more of the vendors is a foreign resident, the property is or will have a market value of $2 million or more just after the transaction, and the transaction is not excluded under section 14-215(1) of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*.

3.4. The amount is to be deducted from the vendor's entitlement to the contract consideration. The vendor must pay to the purchaser at settlement such part of the amount as is represented by non-monetary consideration.

3.5. The purchaser must:

(a) engage a legal practitioner or conveyancer ("representative") to conduct all the legal aspects of settlement, including the performance of the purchaser's obligations in this special condition; and

3.9. The vendor must provide the purchaser with such information as the purchaser requires to comply with the purchaser's obligation to pay the amount in accordance with section 14-200 of Schedule 1 of *Taxation Administration Act 1953 (Cth)*. The information must be provided within 5 business days of request by the purchaser. The vendor warrants that the information the vendor provides is true and correct.

**4. Planning Schemes**

The purchaser buys subject to any restrictions imposed by and to the provisions of the Melbourne Metropolitan Planning Scheme and any other Town Planning Acts or Schemes.

Nothing in this special condition 6B is to be taken as relieving the vendor from compliance with section 14-255.

6A.3 The amount is to be deducted from the vendor's entitlement to the contract **consideration* and is then taken to be paid to the vendor, whether or not the vendor provides the purchaser with a GST withholding notice in accordance with section 14-255 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*. The vendor must pay to the purchaser at settlement such part of the amount as is represented by non-monetary consideration.

(b) promptly provide the vendor with evidence of payment, including any notification or other document provided by the purchaser to the Commissioner relating to payment; and

(c) otherwise comply, or ensure compliance, with this special condition;

despite:

(d) any contrary instructions, other than from both the purchaser and the vendor; and

(e) any other provision in this contract to the contrary.

6A.6 The representative is taken to have complied with the requirements of special condition 6A.5 if:

(a) settlement is conducted through the electronic conveyancing system operated by Property Exchange Australia Ltd or any other electronic conveyancing system agreed by the parties; and

(b) the amount is included in the settlement statement requiring payment to the Commissioner in respect of this transaction.

6A.7 The purchaser may at settlement give the vendor a bank cheque for the amount in accordance with section 16-30 (3) of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*, but only if*:*

(a) so agreed by the vendor in writing; and

(b) the settlement is not conducted through an electronic settlement system described in special condition 6A.6.

However, if the purchaser gives the bank cheque in accordance with this special condition 6A.7, the vendor must:

(c) immediately after settlement provide the bank cheque to the Commissioner to pay the amount in relation to the supply; and

(d) give the purchaser a receipt for the bank cheque which identifies the transaction and includes particulars of the bank cheque, at the same time the purchaser gives the vendor the bank cheque.

(b) comply with the purchaser's obligation to pay the amount,

in accordance with section 14-250 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*. The information must be provided within 5 business days of a written request. The party providing the information warrants that it is true and correct.

6A.10 The vendor warrants that:

(a) at settlement, the property is not new residential premises or potential residential land in either case falling within the parameters of section 14-250 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* if the vendor gives the purchaser a written notice under section 14-255 to the effect that the purchaser will not be required to make a payment under section 14-250 in respect of the supply, or fails to give a written notice as required by and within the time specified in section 14-255; and

(b) the amount described in a written notice given by the vendor to the purchaser under section 14-255 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* is the correct amount required to be paid under section 14-250 of the legislation.

6A.11 The purchaser is responsible for any penalties or interest payable to the Commissioner on account of non-payment or late payment of the amount, except to the extent that:

(a) the penalties or interest arise from the vendor's failure, including breach of a warranty in special condition 6A.10 ; or

(b) the purchaser's reasonable belief that the property is neither new residential premises nor potential residential land requiring the purchaser to pay an amount to the Commissioner in accordance with section 14-250 (1) of Schedule 1 to the *Taxation Administration Act 1953 (Cth).*

The vendor is responsible for any penalties or interest payable to the Commissioner on account of non-payment or late payment of the amount if either exception applies.

6A.12 This special condition will not merge on settlement.

**6.Dwelling**

The land and buildings (if any) as sold hereby and inspected by the purchaser are sold on the basis of existing improvements thereon and the purchaser shall not make any requisition or claim any compensation for any deficiency or defect in the said improvements as to their suitability for occupation or otherwise including any requisition in relation to the issue or non issue of Building Permits and/or completion of inspections by the relevant authorities in respect of any improvements herein.

**7 Deposit**

**9 Guarantee**

If a company purchases the property:

(b) The directors of the company must sign the guarantee attached to this contract and deliver it to the vendor within 7 days of the day of sale.

**10 FIRB Approval**

10.1 The purchaser warrants that the provisions of the Foreign Acquisitions and Takeovers Act 1975 (C'th) do not require the purchaser to obtain consent to enter this contract.

10.2 If there is a breach of the warranty contained in Special Condition 10.1 (whether intentional or not) the purchaser must indemnify and compensate the vendor for any loss, damage or cost which the vendor incurs as a result of the breach;

10.3 This warranty and indemnity do not merge on completion of this contract.

9.3 The purchaser is entitled to inspect the vendor's chain of title on request at such place in Victoria as the vendor nominates.

9.4 The purchaser is taken to have accepted the vendor's title if:

(a) 21 days have elapsed since the day of sale; and

(b) the objection or requirement is not withdrawn in that time.

9.6 If the contract ends in accordance with general condition 9.5, the deposit must be returned to the purchaser and neither party has a claim against the other in damages.

9.7 General condition 10.1 should be read, in respect of that part of the land which is not under the operation of the **Transfer of Land Act 1958**, as if the reference to 'registered proprietor' is a reference to 'owner'.

(b) must be paid to the vendor's estate agent or legal practitioner or conveyancer and held by the estate agent, legal practitioner or conveyancer on trust for the purchaser until the registration of the plan of subdivision;

**13. GST**

13.1 The purchaser does not have to pay the vendor any GST payable by the vendor in respect of a taxable supply made under this contract in addition to the price unless the particulars of sale specify that the price is 'plus GST'. However the purchaser must pay to the vendor any GST payable by the vendor:
(a) solely as a result of any action taken or intended to be taken by the purchaser after the day of sale, including a change of use; or

(a) 'GST Act' means **A New Tax System (Goods and Services Tax) Act 1999 (Cth)**; and
(b) 'GST' includes penalties and interest.

**14. Loan**

14.1 If the particulars of sale specify that this contract is subject to a loan being approved, this contract is subject to the lender approving the loan on the security of the property by the approval date or any later date allowed by the vendor.

A person who becomes the owner of rateable or leviable land must pay any rate, charge or levy on the land which is current; and any arrears of rates, charges or levies (including interest on those rates, charges or levies) on the land which are due and payable.

If a Council has obtained an award for legal costs in relation to any rate or charge owing by the previous owner of the rateable or the leviable land, the above section applies to the amount of legal costs remaining unpaid as if the legal costs were arrears of rates, charges or levies.

If the previous owner of the rateable or leviable land had been paying any rate, charge or levy by instalments at the time the ownership of the land changed, the person who becomes the owner of the land may continue the payment of that rate, charge or levy by instalments.

The person who becomes the owner of rateable land may also pay a rate or charge by instalments if the previous owner could have paid it by instalments and the person becomes the owner of the land before the date the first instalment falls due. The person who becomes the owner of leviable land may also pay a levy amount by instalments.

In all other cases, the person who becomes the owner of rateable or leviable land must pay any amount due by the date it was due to have been paid by the previous owner of the land; or if that date has already passed, immediately after the person becomes the owner of the land (in the case of rates and charges under the *Local Government Act 1989*), or within 14 days from the date the person becomes the owner of the land (in the case of levies under the *Fire Services Property Levy Act 2012*).

For the 2021/2022 rating year, due dates for instalments are 30 September 2021, 30 November 2021, 28 February 2022 and 31 May 2022. Due date for lump sum payment is 15 February 2022.

# Notes to Certificates Under Section 95AA of the *Taxation Administration Act 1997*

**Certificate No:** 48099702

**Power to issue Certificate**

1. The Commissioner of State Revenue can issue a Property Clearance Certificate (Certificate) to an owner, mortgagee or bona fide purchaser of land who makes an application specifying the land for which the Certificate is sought and pays the application fee.

**Amount shown on Certificate**

2. The Certificate shows any land tax (including Vacant Residential Land Tax, interest and penalty tax) that is due and unpaid on the land described in the Certificate at the date of issue. In addition, it may show:
   - Land tax that has been assessed but is not yet due,
   - Land tax for the current tax year that has not yet been assessed, and
   - Any other information that the Commissioner sees fit to include, such as the amount of land tax applicable to the land on a single holding basis and other debts with respect to the property payable to the Commissioner.

**Land tax is a first charge on land**

3. Unpaid land tax (including Vacant Residential Land Tax, interest and penalty tax) is a first charge on the land to which it relates. This means it has priority over any other encumbrances on the land, such as a mortgage, and will continue as a charge even if ownership of the land is transferred. Therefore, a purchaser may become liable for any such unpaid land tax.

**Information for the purchaser**

4. If a purchaser of the land described in the Certificate has applied for and obtained a Certificate, the amount recoverable from the purchaser cannot exceed the 'amount payable' shown. A purchaser cannot rely on a Certificate obtained by the vendor.

**Information for the vendor**

5. Despite the issue of a Certificate, the Commissioner may recover a land tax liability from a vendor, including any amount identified on this Certificate.

**General information**

6. A Certificate showing no liability for the land does not mean that the land is exempt from land tax. It means that there is nothing to pay at the date of the Certificate.

7. An updated Certificate may be requested free of charge via our website, if:
   - The request is within 90 days of the original Certificate's issue date, and
   - There is no change to the parties involved in the transaction for which the Certificate was originally requested.

## For Information Only

LAND TAX CALCULATION BASED ON SINGLE OWNERSHIP

Land Tax = $3,135.00

Taxable Value = $1,020,000

Calculated as $2,975 plus ( $1,020,000 - $1,000,000) multiplied by 0.800 cents.

# Due Diligence Checklist

Consumer Affairs Victoria

## What you need to know before buying a residential property

Before you buy a home, you should be aware of a range of issues that may affect that property and impose restrictions or obligations on you, if you buy it. This checklist aims to help you identify whether any of these issues will affect you. The questions are a starting point only and you may need to seek professional advice to answer some of them. You can find links to organisations and web pages that can help you learn more, by visiting **consumer.vic.gov.au/duediligencechecklist**.

**Urban living**
***Moving to the inner city?***
High density areas are attractive for their entertainment and service areas, but these activities create increased traffic as well as noise and odours from businesses and people. Familiarising yourself with the character of the area will give you a balanced understanding of what to expect.

***Is the property subject to an owners corporation?***
If the property is part of a subdivision with common property such as driveways or grounds, it may be subject to an owners corporation. You may be required to pay fees and follow rules that restrict what you can do on your property, such as a ban on pet ownership.

**Growth areas**
***Are you moving to a growth area?***
You should investigate whether you will be required to pay a growth areas infrastructure contribution.

**Flood and fire risk**
***Does this property experience flooding or bushfire?***
Properties are sometimes subject to the risk of fire and flooding due to their location. You should properly investigate these risks and consider their implications for land management, buildings and insurance premiums.

**Rural properties**
***Moving to the country?***
If you are looking at property in a rural zone, consider:

- Is the surrounding land use compatible with your lifestyle expectations? Farming can create noise or odour that may be at odds with your expectations of a rural lifestyle.
- Are you considering removing native vegetation? There are regulations which affect your ability to remove native vegetation on private property.
- Do you understand your obligations to manage weeds and pest animals?
- Can you build new dwellings?
- Does the property adjoin crown land, have a water frontage, contain a disused government road, or are there any crown licences associated with the land?

***Is there any earth resource activity such as mining in the area?***
You may wish to find out more about exploration, mining and quarrying activity on or near the property and consider the issue of petroleum, geothermal and greenhouse gas sequestration permits, leases and licences, extractive industry authorisations and mineral licences.

**Soil and groundwater contamination**
***Has previous land use affected the soil or groundwater?***
You should consider whether past activities, including the use of adjacent land, may have caused contamination at the site and whether this may prevent you from doing certain things to or on the land in the future.

**Land boundaries**
***Do you know the exact boundary of the property?***
You should compare the measurements shown on the title document with actual fences and buildings on the property, to make sure the boundaries match. If you have concerns about this, you can speak to your lawyer or conveyancer, or commission a site survey to establish property boundaries.

**Planning controls**
***Can you change how the property is used, or***

Consumer Affairs Victoria

***the buildings on it?***
All land is subject to a planning scheme, run by the local council. How the property is zoned and any overlays that may apply, will determine how the land can be used. This may restrict such things as whether you can build on vacant land or how you can alter or develop the land and its buildings over time.

The local council can give you advice about the planning scheme, as well as details of any other restrictions that may apply, such as design guidelines or bushfire safety design. There may also be restrictions – known as encumbrances – on the property's title, which prevent you from developing the property. You can find out about encumbrances by looking at the section 32 statement.

***Are there any proposed or granted planning permits?***
The local council can advise you if there are any proposed or issued planning permits for any properties close by. Significant developments in your area may change the local 'character' (predominant style of the area) and may increase noise or traffic near the property.

**Safety**
***Is the building safe to live in?***
Building laws are in place to ensure building safety. Professional building inspections can help you assess the property for electrical safety, possible illegal building work, adequate pool or spa fencing and the presence of asbestos, termites, or other potential hazards.

**Building permits**
***Have any buildings or retaining walls on the property been altered, or do you plan to alter them?***
There are laws and regulations about how buildings and retaining walls are constructed, which you may wish to investigate to ensure any completed or proposed building work is approved. The local council may be able to give you information about any building permits issued for recent building works done to the property, and what you must do to plan new work. You can also commission a private building surveyor's assessment.

***Are any recent building or renovation works covered by insurance?***
Ask the vendor if there is any owner-builder insurance or builder's warranty to cover defects in the work done to the property.

**Utilities and essential services**
***Does the property have working connections for water, sewerage, electricity, gas, telephone and internet?***
Unconnected services may not be available, or may incur a fee to connect. You may also need to choose from a range of suppliers for these services. This may be particularly important in rural areas where some services are not available.

**Buyers' rights**
***Do you know your rights when buying a property?***
The contract of sale and section 32 statement contain important information about the property, so you should request to see these and read them thoroughly. Many people engage a lawyer or conveyancer to help them understand the contracts and ensure the sale goes through correctly. If you intend to hire a professional, you should consider speaking to them before you commit to the sale. There are also important rules about the way private sales and auctions are conducted. These may include a cooling-off period and specific rights associated with 'off the plan' sales. The important thing to remember is that, as the buyer, you have rights
