- 11.10 In addition to ensuring a release is received under general condition 11.4(a), the vendor must ensure that at or before settlement the purchaser receives a written undertaking from a secured party to register a financing change statement to reflect that release if the property being released includes goods of a kind that are described by serial number in the Personal Property Securities Register.

- 25.1 Words and expressions defined or used in Subdivision 14-E of Schedule 1 to the *Taxation Administration Act 1953* (Cth) or in *A New Tax System (Goods and Services Tax) Act 1999* (Cth) have the same meaning in this general condition unless the context requires otherwise. Words and expressions first used in this general condition and shown in italics and marked with an asterisk are defined or described in at least one of those Acts.
- 25.2 The purchaser must notify the vendor in writing of the name of the recipient of the *supply for the purposes of section 14-255 of Schedule 1 to the *Taxation Administration Act 1953* (Cth) at least 21 days before the due date for settlement unless the recipient is the purchaser named in the contract.
- 25.3 The vendor must at least 14 days before the due date for settlement provide the purchaser and any person nominated by the purchaser under general condition 4 with GST withholding notice in accordance with section 14-255 of Schedule 1 to the *Taxation Administration Act 1953* (Cth), and must provide all information required by the purchaser or any person so nominated to confirm the accuracy of the notice.
- 25.4 The remaining provisions of this general condition 25 apply if the purchaser is or may be required to pay the Commissioner an *amount in accordance with section 14-250 of Schedule 1 to the *Taxation Administration Act 1953* (Cth) because the property is *new residential premise or *potential residential land in either case falling within the parameters of that section, and also if the sale attracts the operation of section 14-255 of the legislation. Nothing in this general condition 25 is to be taken as relieving the vendor from compliance with section 14-255.
- 25.5 The amount is to be deducted from the vendor's entitlement to the contract *consideration and is then taken to be paid to the vendor, whether or not the vendor provides the purchaser with a GST withholding notice in accordance with section 14-255 of Schedule 1 to the *Taxation Administration Act 1953* (Cth). The vendor must pay to the purchaser at settlement such part of the amount as is represented by non-monetary consideration.

 - (b) promptly provide the vendor with evidence of payment, including any notification or other document provided by the purchaser to the Commissioner relating to payment; and
 - (c) otherwise comply, or ensure compliance, with this general condition;
 despite:
 - (d) any contrary instructions, other than from both the purchaser and the vendor; and
 - (e) any other provision in this contract to the contrary.
- 25.8 The representative is taken to have complied with the requirements of general condition 25.7 if:
 - (a) settlement is conducted through the electronic lodgement network; and
 - (b) the amount is included in the settlement statement requiring payment to the Commissioner in respect of this transaction.
- 25.9 The purchaser may at settlement give the vendor a bank cheque for the amount in accordance with section 16-30 (3) of Schedule 1 to the *Taxation Administration Act 1953* (Cth), but only if:
 - (a) so agreed by the vendor in writing; and
 - (b) the settlement is not conducted through an electronic lodgement network.
 However, if the purchaser gives the bank cheque in accordance with this general condition 25.9, the vendor must:
 - (c) immediately after settlement provide the bank cheque to the Commissioner to pay the amount in relation to the supply; and

- (d) give the purchaser a receipt for the bank cheque which identifies the transaction and includes particulars of the bank cheque, at the same time the purchaser gives the vendor the bank cheque.
- 25.10 A party must provide the other party with such information as the other party requires to:
- (a) decide if an amount is required to be paid or the quantum of it, or
 - (b) comply with the purchaser's obligation to pay the amount,
- in accordance with section 14-250 of Schedule 1 to the *Taxation Administration Act 1953* (Cth). The information must be provided within 5 business days of a written request. The party providing the information warrants that it is true and correct.
- 25.11 The vendor warrants that:
- (a) at settlement, the property is not new residential premises or potential residential land in either case falling within the parameters of section 14-250 of Schedule 1 to the *Taxation Administration Act 1953* (Cth) if the vendor gives the purchaser a written notice under section 14-255 to the effect that the purchaser will not be required to make a payment under section 14-250 in respect of the supply, or fails to give a written notice as required by and within the time specified in section 14-255; and
 - (b) the amount described in a written notice given by the vendor to the purchaser under section 14-255 of Schedule 1 to the *Taxation Administration Act 1953* (Cth) is the correct amount required to be paid under section 14-250 of the legislation.
- 25.12 The purchaser is responsible for any penalties or interest payable to the Commissioner on account of non-payment or late payment of the amount, except to the extent that:
- (a) the penalties or interest arise from any failure on the part of the vendor, including breach of a warranty in general condition 25.11; or
 - (b) the purchaser's reasonable belief that the property is neither new residential premises nor potential residential land requiring the purchaser to pay an amount to the Commissioner in accordance with section 14-250 (1) of Schedule 1 to the *Taxation Administration Act 1953* (Cth)
- The vendor is responsible for any penalties or interest payable to the Commissioner on account of non-payment or late payment of the amount if either exception applies.

Due diligence checklist

What you need to know before buying a residential property

Before you buy a home, you should be aware of a range of issues that may affect that property and impose restrictions or obligations on you, if you buy it. This checklist aims to help you identify whether any of these issues will affect you. The questions are a starting point only and you may need to seek professional advice to answer some of them. You can find links to organisations and web pages that can help you learn more, by visiting the [Due diligence checklist page on the Consumer Affairs Victoria website](http://consumer.vic.gov.au/duediligencechecklist) (consumer.vic.gov.au/duediligencechecklist).

Urban living

Moving to the inner city?

High density areas are attractive for their entertainment and service areas, but these activities create increased traffic as well as noise and odours from businesses and people. Familiarising yourself with the character of the area will give you a balanced understanding of what to expect.

Is the property subject to an owners corporation?

If the property is part of a subdivision with common property such as driveways or grounds, it may be subject to an owners corporation. You may be required to pay fees and follow rules that restrict what you can do on your property, such as a ban on pet ownership.

Growth areas

Are you moving to a growth area?

You should investigate whether you will be required to pay a growth areas infrastructure contribution.

Flood and fire risk

Does this property experience flooding or bushfire?

Properties are sometimes subject to the risk of fire and flooding due to their location. You should properly investigate these risks and consider their implications for land management, buildings and insurance premiums.

Rural properties

Moving to the country?

If you are looking at property in a rural zone, consider:

- Is the surrounding land use compatible with your lifestyle expectations? Farming can create noise or odour that may be at odds with your expectations of a rural lifestyle.
- Are you considering removing native vegetation? There are regulations which affect your ability to remove native vegetation on private property.
- Do you understand your obligations to manage weeds and pest animals?

Can you build new dwellings?

Does the property adjoin crown land, have a water frontage, contain a disused government road, or are there any crown licences associated with the land?

Is there any earth resource activity such as mining in the area?

You may wish to find out more about exploration, mining and quarrying activity on or near the property and consider the issue of petroleum, geothermal and greenhouse gas sequestration permits, leases and licences, extractive industry authorisations and mineral licences.

Soil and groundwater contamination

Has previous land use affected the soil or groundwater?

You should consider whether past activities, including the use of adjacent land, may have caused contamination at the site and whether this may prevent you from doing certain things to or on the land in the future.

Land boundaries

Do you know the exact boundary of the property?

You should compare the measurements shown on the title document with actual fences and buildings on the property, to make sure the boundaries match. If you have concerns about this, you can speak to your lawyer or conveyancer, or commission a site survey to establish property boundaries.

Planning controls

Can you change how the property is used, or the buildings on it?

All land is subject to a planning scheme, run by the local council. How the property is zoned and any overlays that may apply, will determine how the land can be used. This may restrict such things as whether you can build on vacant land or how you can alter or develop the land and its buildings over time.

The local council can give you advice about the planning scheme, as well as details of any other restrictions that may apply, such as design guidelines or bushfire safety design. There may also be restrictions – known as encumbrances – on the property's title, which prevent you from developing the property. You can find out about encumbrances by looking at the section 32 statement.

Are there any proposed or granted planning permits?

The local council can advise you if there are any proposed or issued planning permits for any properties close by. Significant developments in your area may change the local 'character' (predominant style of the area) and may increase noise or traffic near the property.

Safety

Is the building safe to live in?

Building laws are in place to ensure building safety. Professional building inspections can help you assess the property for electrical safety, possible illegal building work, adequate pool or spa fencing and the presence of asbestos, termites, or other potential hazards.

Building permits

Have any buildings or retaining walls on the property been altered, or do you plan to alter them?

There are laws and regulations about how buildings and retaining walls are constructed, which you may wish to investigate to ensure any completed or proposed building work is approved. The local council may be able to give you information about any building permits issued for recent building works done to the property, and what you must do to plan new work. You can also commission a private building surveyor's assessment.

Are any recent building or renovation works covered by insurance?

Ask the vendor if there is any owner-builder insurance or builder's warranty to cover defects in the work done to the property.

Utilities and essential services

Does the property have working connections for water, sewerage, electricity, gas, telephone and internet?

Unconnected services may not be available, or may incur a fee to connect. You may also need to choose from a range of suppliers for these services. This may be particularly important in rural areas where some services are not available.

Buyers' rights

Do you know your rights when buying a property?

The contract of sale and section 32 statement contain important information about the property, so you should request to see these and read them thoroughly. Many people engage a lawyer or conveyancer to help them understand the contracts and ensure the sale goes through correctly. If you intend to hire a professional, you should consider speaking to them before you commit to the sale. There are also important rules about the way private sales and auctions are conducted. These may include a cooling-off period and specific rights associated with 'off the plan' sales. The important thing to remember is that, as the buyer, you have rights.

Notes to Certificates Under Section 95AA of the *Taxation Administration Act 1997*

Certificate No: 63487807

Power to issue Certificate

1. The Commissioner of State Revenue can issue a Property Clearance Certificate (Certificate) to an owner, mortgagee or bona fide purchaser of land who makes an application specifying the land for which the Certificate is sought and pays the application fee.

Amount shown on Certificate

2. The Certificate shows any land tax (including Vacant Residential Land Tax, interest and penalty tax) that is due and unpaid on the land described in the Certificate at the date of issue. In addition, it may show:
 - Land tax that has been assessed but is not yet due,
 - Land tax for the current tax year that has not yet been assessed, and
 - Any other information that the Commissioner sees fit to include, such as the amount of land tax applicable to the land on a single holding basis and other debts with respect to the property payable to the Commissioner.

Land tax is a first charge on land

3. Unpaid land tax (including Vacant Residential Land Tax, interest and penalty tax) is a first charge on the land to which it relates. This means it has priority over any other encumbrances on the land, such as a mortgage, and will continue as a charge even if ownership of the land is transferred. Therefore, a purchaser may become liable for any such unpaid land tax.

Information for the purchaser

4. If a purchaser of the land described in the Certificate has applied for and obtained a Certificate, the amount recoverable from the purchaser cannot exceed the 'amount payable' shown. A purchaser cannot rely on a Certificate obtained by the vendor.

Information for the vendor

5. Despite the issue of a Certificate, the Commissioner may recover a land tax liability from a vendor, including any amount identified on this Certificate.

General information

6. A Certificate showing no liability for the land does not mean that the land is exempt from land tax. It means that there is nothing to pay at the date of the Certificate.
7. An updated Certificate may be requested free of charge via our website, if:
 - The request is within 90 days of the original Certificate's issue date, and
 - There is no change to the parties involved in the transaction for which the Certificate was originally requested.

For Information Only

LAND TAX CALCULATION BASED ON SINGLE OWNERSHIP

Land Tax = \$1,025.00

Statement of advice and information for prospective purchasers and lot owners

Schedule 3, Regulation 17, Owners Corporations Regulations 2018

What is an owners corporation?

The lot you are considering buying is part of an owners corporation. Whenever a plan of subdivision creates common property, an owners corporation is responsible for managing the common property. A purchaser of a lot that is part of an owners corporation automatically becomes a member of the owners corporation when the transfer of that lot to the purchaser has been registered with Land Victoria.

If you buy into an owners corporation, you will be purchasing not only the individual property, but also ownership of, and the right to use, the common property as set out in the plan of subdivision. This common property may include driveways, stairs, paths, passages, lifts, lobbies, common garden areas and other facilities set up for use by owners and occupiers. In order to identify the boundary between the individual lot you are purchasing (for which the owner is solely responsible) and the common property (for which all members of the owners corporation are responsible), you should closely inspect the plan of subdivision.

How are decisions made by an owners corporation?

As an owner, you will be required to make financial contributions to the owners corporation, in particular for the repair, maintenance and management of the common property. Decisions as to the management of this common property will be the subject of collective decision making. Decisions as to these financial contributions, which may involve significant expenditure, will be decided by a vote.

Owners corporation rules

The owners corporation rules may deal with matters such as car parking, noise, pets, the appearance or use of lots, behaviour of owners, occupiers or guests and grievance procedures.

You should look at the owners corporation rules to consider any restrictions imposed by the rules.

Lot entitlement and lot liability

The plan of subdivision will also show your lot entitlement and lot liability. Lot liability represents the share of owners corporation expenses that each lot owner is required to pay.

Lot entitlement is an owner's share of ownership of the common property, which determines voting rights. You should make sure that the allocation of lot liability and entitlement for the lot you are considering buying seems fair and reasonable.

Further information

If you are interested in finding out more about living in an owners corporation, you can contact Consumer Affairs Victoria. If you require further information about the particular owners corporation you are buying into you can inspect that owners corporation's information register.

Management of an owners corporation

An owners corporation may be self-managed by the lot owners or professionally managed by an owners corporation manager. If an owners corporation chooses to appoint a professional manager, it must be a manager registered with the Business Licensing Authority (BLA).

If you are uncertain about any aspect of the owners corporation or the documents you have received from the owners corporation, you should seek expert advice.

MODEL RULES FOR AN OWNERS CORPORATION

1. Health, safety and security

1.1 Health, safety and security of lot owners, occupiers of lots and others

A lot owner or occupier must not use the lot, or permit it to be used, so as to cause a hazard to the health, safety and security of an owner, occupier, or user of another lot.

1.2 Storage of flammable liquids and other dangerous substances and materials

1. Except with the approval in writing of the owners corporation, an owner or occupier of a lot must not use or store on the lot or on the common property any flammable chemical, liquid or gas or other flammable material.
2. This rule does not apply to -
 - (a) chemicals, liquids, gases or other material used or intended to be used for domestic purposes; or
 - (b) any chemical, liquid, gas or other material in a fuel tank of a motor vehicle or internal combustion engine.

1.3 Waste disposal

An owner or occupier must ensure that the disposal of garbage or waste does not adversely affect the health, hygiene or comfort of the occupiers or users of other lots.

2. Committees and sub-committees

2.1 Functions, powers and reporting of committees and sub-committees

A committee may appoint members to a sub committee without reference to the owners corporation.

3. Management and administration

3.1 Metering of services and apportionment of costs of services

1. The owners corporation must not seek payment or reimbursement for a cost or charge from a lot owner or occupier that is more than the amount that the supplier would have charged the lot owner or occupier for the same goods or services.
2. If a supplier has issued an account to the owners corporation, the owners corporation cannot recover from the lot owner or occupier an amount which includes any amount that is able to be claimed as a concession or rebate by or on behalf of the lot owner or occupier from the relevant supplier.
3. Subrule (2) does not apply if the concession or rebate -
 - (a) must be claimed by the lot owner or occupier and the owners corporation has given the lot owner or occupier an opportunity to claim it and the lot owner or occupier has not done so by the payment date set by the relevant supplier; or
 - (b) is paid directly to the lot owner or occupier as a refund.

4. Use of common property

4.1 Use of common property

1. An owner or occupier of a lot must not obstruct the lawful use and enjoyment of the common property by any other person entitled to use the common property.
2. An owner or occupier of a lot must not, without the written approval of the owners corporation, use for the owner or occupier's own purposes as a garden any portion of the common property.
3. An approval under subrule (2) may state a period for which the approval is granted.
4. If the owners corporation has resolved that an animal is a danger or is causing a nuisance to the common property, it must give reasonable notice of this resolution to the owner or occupier who is keeping the animal.
5. An owner or occupier of a lot who is keeping an animal that is the subject of a notice under subrule (4) must remove that animal.
6. Subrules (4) and (5) do not apply to an animal that assists a person with an impairment or disability.

4.2 Vehicles and parking on common property

An owner or occupier of a lot must not, unless in the case of an emergency, park or leave a motor vehicle or other vehicle or permit a motor vehicle or other vehicle—

- (a) to be parked or left in parking spaces situated on common property and allocated for other lots; or
- (b) on the common property so as to obstruct a driveway, pathway, entrance or exit to a lot; or

- (c) in any place other than a parking area situated on common property specified for that purpose by the owners corporation.

4.3 Damage to common property

1. An owner or occupier of a lot must not damage or alter the common property without the written approval of the owners corporation.
2. An owner or occupier of a lot must not damage or alter a structure that forms part of the common property without the written approval of the owners corporation.
3. An approval under subrule (1) or (2) may state a period for which the approval is granted, and may specify the works and conditions to which the approval is subject.
4. An owner or person authorised by an owner may install a locking or safety device to protect the lot against intruders, or a screen or barrier to prevent entry of animals or insects, if the device, screen or barrier is soundly built and is consistent with the colour, style and materials of the building.
5. The owner or person referred to in subrule (4) must keep any device, screen or barrier installed in good order and repair.

5. Lots

5.1 Change of use of lots

An owner or occupier of a lot must give written notification to the owners corporation if the owner or occupier changes the existing use of the lot in a way that will affect the insurance premiums for the owners corporation.

Example

If the change of use results in a hazardous activity being carried out on the lot, or results in the lot being used for commercial or industrial purposes rather than residential purposes.

5.2 External appearance of lots

1. An owner or occupier of a lot must obtain the written approval of the owners corporation before making any changes to the external appearance of their lot.
2. An owners corporation cannot unreasonably withhold approval, but may give approval subject to reasonable conditions to protect quiet enjoyment of other lot owners, structural integrity or the value of other lots and/or common property.

5.3 Requiring notice to the owners corporation of renovations to lots

An owner or occupier of a lot must notify the owners corporation when undertaking any renovations or other works that may affect the common property and/or other lot owners' or occupiers' enjoyment of the common property.

6. Behaviour of persons

6.1 Behaviour of owners, occupiers and invitees on common property

An owner or occupier of a lot must take all reasonable steps to ensure that guests of the owner or occupier do not behave in a manner likely to unreasonably interfere with the peaceful enjoyment of any other person entitled to use the common property.

6.2 Noise and other nuisance control

1. An owner or occupier of a lot, or a guest of an owner or occupier, must not unreasonably create any noise likely to interfere with the peaceful enjoyment of any other person entitled to use the common property.
2. Subrule (1) does not apply to the making of a noise if the owners corporation has given written permission for the noise to be made.

7. Dispute resolution

1. The grievance procedure set out in this rule applies to disputes involving a lot owner, manager, or an occupier or the owners corporation.
2. The party making the complaint must prepare a written statement in the approved form.
3. If there is a grievance committee of the owners corporation, it must be notified of the dispute by the complainant.
4. If there is no grievance committee, the owners corporation must be notified of any dispute by the complainant, regardless of whether the owners corporation is an immediate party to the dispute.
5. The parties to the dispute must meet and discuss the matter in dispute, along with either the grievance committee or the owners corporation, within 14 working days after the dispute comes to the attention of all the parties.

6. A party to the dispute may appoint a person to act or appear on his or her behalf at the meeting.
7. If the dispute is not resolved, the grievance committee or owners corporation must notify each party of his or her right to take further action under Part 10 of the Owners Corporations Act 2006.
8. This process is separate from and does not limit any further action under Part 10 of the Owners Corporations Act 2006.
