Reason there are fewer than three comparable properties

☐ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

I have selected 3 comparable properties, however the 3 properties chosen have 4 bedrooms, not 3. My reason for this is 46 Melaleuca Drive, Hastings floor size is superior to a 3 bedroom and comparable to a 4 bedroom due to the dwellings size. In comparison it also have either more living areas, a dedicated dinning room and/or the ability to convert a living area into a bedroom to that of what I have used as a comparison rather than just not selecting any properties at all.
