Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

43 Eagle Bay Terrace, Paynesville is positioned at $1,590,000, reflecting the property's distinctive construction quality, extensive inclusions, thoughtful design and exceptional elevated views across Lake King. This substantial two-storey residence offers four bedrooms, two bathrooms and a range of features that distinguish it from more conventional homes in the local market.

A significant contributor to the property's value is the impressive 180-degree lake outlook from the first floor, complemented by quality finishes including spotted gum features and cedar-lined ceilings. Built by the owner-builder, the home incorporates numerous considered construction details, alongside central heating and cooling, a 10.5kW solar system with Fronius inverter, multiple hot water services and comprehensive security.

The built-in elevator and wheelchair-friendly features provide an additional level of accessibility, while the oversized double garage with workshop and epoxy-finished floors offers substantial vehicle accommodation and workspace. Established fruit trees, side access and existing plumbing, sewerage and electricity connections in the backyard further enhance the property's versatility and future potential, subject to relevant approvals.

Taking into account the home's individual design, construction specifications, energy-efficient inclusions, accessibility features, extensive garaging and sought-after Paynesville location overlooking Lake King, the assessed price of $1,590,000 is considered to reflect its overall quality, unique attributes and appeal to buyers seeking a high-specification residence with an exceptional outlook.
