Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The property at 12 Wootten Rise, Langwarrin, comprising 3 bedrooms, 1 bathroom and 2 car spaces, is considered unique in its immediate market. After conducting a review of recent comparable sales, we were unable to identify three properties that were sufficiently similar in terms of their overall characteristics, accommodation, land size, improvements and location to provide a fair and accurate comparison.

While other properties have sold within the broader Langwarrin area, their differences in design, features, condition and overall appeal mean they would not provide genuinely comparable evidence for this particular property.

Accordingly, the comparable sales provided represent the most relevant available market evidence, and we believe this

is a reasonable reflection of the current market conditions and the property's individual characteristics.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
